DNR Staff Analysis of Nature Based Outdoor Activities on Projects Purchased with Stewardship Grant Funds

Rev. April 2011

NOTE TO DNR STAFF: This completed form will be attached to the WEPA+NBOA notice that the DNR will publish when considering a request for Stewardship grant funding. Do not list location information for the subject property or the seller's name because WI courts have held that this information is confidential until land ownership has changed hands. In "Staff Narrative" sections below each NBOA, summarize sponsor's reason for prohibition based on the 3 allowable exceptions

Project Name and Primary Purpose (after acquisition): Sidney Woods Acquisition; open space park land preservation in the City of Glendale, Milwaukee County							
Project Description: See WEPA Notice Plan(s) or Reports Identifying Project Area as Priority: City Glendale Comprehensive Plan; Glendale's 2021 Vision Report							
Proposed NBOA – Applicant Narrative and Checklist							
DNR Staff Narrative: Hunting will not be allowed on the property. This prohibition of hunting is necessary to protect public safety per NR 52.05 (1)(a)5 since the property is less than five acres, is not adjacent to a public waterway, or land where hunting is allowed. There is also a non-sponsor ordinance by the City of Glendale prohibiting hunting.							
Parcel Size, Shape, and Topography: Describe the size, shape, and topography of the parcel and how it relates to public safety for this activity on this site. The 3.75-acre property is predominately woodlands and wetlands and is surrounded by residential and commercial development.
